

Welcome to the Newton Village Plan Survey.

The purpose of this document is to gather information about how our community feels about itself and to help set a series of priorities for the future development of the village. The survey has been created by an independent steering group, with input from most of the community organisations in Newton, using funding from the Big Lottery Fund.

We ask that you complete all the questions you can for each person in your household over the age of 18 years. If there is a question you feel is not relevant to you or you do not wish to answer, please feel free to leave it blank.

There is a section at the end of the survey to enable those residents under the age of 18 years to have their say, should they wish.

The first person should complete the questions as person A and any subsequent people should indicate their views as person B, C or D etc.

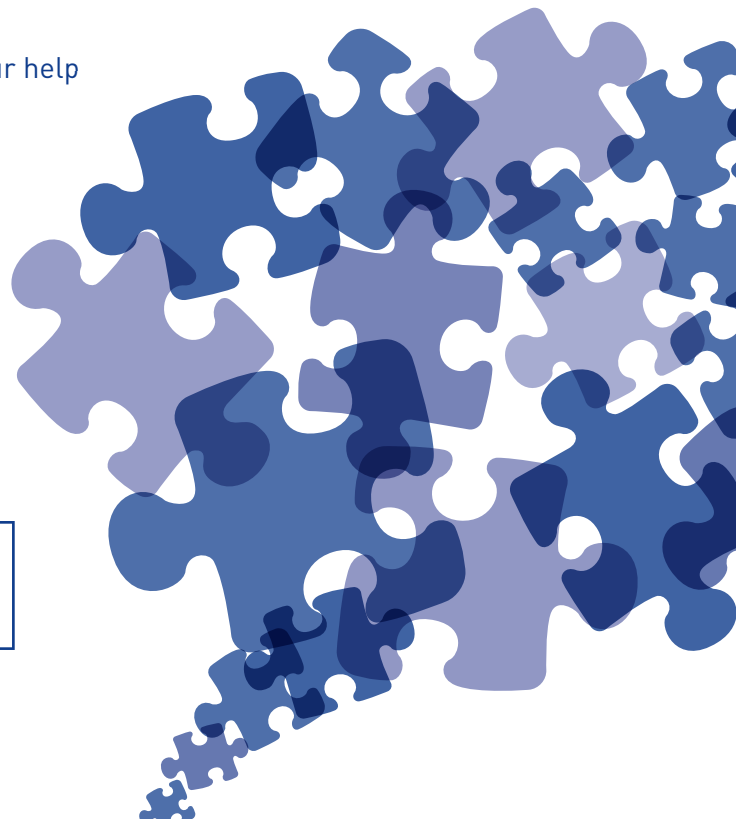

Please remember that the responses are anonymous. However, if you wish to be entered into a £50 prize draw, you must include a phone number below to enable us to contact you if you are the winner. Completed surveys without a phone number will not be entered into the draw.

Your completed survey will be collected on the date shown on the label or shortly thereafter. If you do not wish to be disturbed, please leave it outside in a clearly visible location.

Thank you for your time in filling out the survey, your help is much appreciated.

Village Development

Housing

The Fenland District Council Core Strategy for 2011-2031 identifies 3 main categories of village:

- Growth Villages, in which development and new service provision is to be actively encouraged;
- Limited Growth Villages in which development and new service provision is to be encouraged where it will support the continued sustainability of the village; and
- Small Villages, in which development will normally be of a very limited nature.

Newton is currently classified as a small village, so there is an assumption against future development and new service provision. The Parish Council would like to hear your views on this.
