c) Supporting Vulnerable Residents

Report was circulated prior to meeting. The number of scams were causing considerable distress to vulnerable residents. It was of some concern that residents should have access to a helpline. The Chairman had suggested that the council formalised its membership of the Cambridgeshire and Peterborough Against Scam Partnership. Our Emergency Plan sets out the framework to support these residents in a variety of emergency scenarios but we do not currently offer any specific support. He suggested that members consider whether or not to seek to establish an ongoing role in support of the most vulnerable members in our community.

Volunteers would need to be determined to support the most vulnerable.. He again stated that members should consider the potential benefits of a village wide Neighbourhood Watch or Good Neighbour scheme. A query was raised as to the difficulty in finding the

volunteer support. This would be discussed again at the next meeting as an agenda item following a leaflet drop asking for volunteers in different areas.

d) Street Light Condition Survey

Report was circulated prior to meeting. The data had only just been received following the council entering a three year contract with Fenand District Council for the managed service contract for routine maintenance from August 1st 2018 all lighting was tested carried out by Cable Test Ltd, a number of street lights were highlighted as needing attention.

Clerk to obtain quotations for the replacement of three concrete columns to enable a decision to be made at our next council meeting in September.
